Background Information:

AFO (The ASEAN Federation of Engineering Organisations) is a non-governmental body, consisting of the engineering institutions and organisations of ASEAN countries with the main objectives of promoting goodwill and mutual understanding, and to establish and develop a ASEAN baseline standard for the engineering profession with the objective of facilitating the mobility of the engineers within the ASEAN countries.

CAFEO 36 is the ideal gateway to develop business and networks in the ASEAN region. Hosted by The Institution of Engineers, Singapore (IES), this will be an event with added significance, as it coincides with Singapore's Chairmanship of ASEAN 2018. In alignment to the Master Plan on ASEAN Connectivity 2025 by ASEAN leaders in September 2016, the conference will convene engineering professionals in ASEAN to exchange knowledge, share ideas and jointly develop solutions to problems through the content-rich conference programme and exhibition under two themes:

- Engineering Rail Connectivity – CAFEO 36 will provide a focal point for discussion on pertinent issues and trends that are impacting rail engineering in the region and beyond
- Fostering Excellence in Engineering Education – CAFEO 36 will facilitate the design and delivery of top-quality educational programmes and nurture not just knowledgeable and multi-disciplinary engineers, but also deeply-skilled engineers and technicians.

EXHIBITION AND BUSINESS NETWORKING

The Conference of the ASEAN Federation of Engineering Organisations (CAFEO) is now open for registration. The Institution of Engineers, Singapore (IES) is honoured to host CAFEO 2018 in Singapore for its 36th edition.

CAFEO 36 is the ideal gateway to develop business and networks in the ASEAN region. CAFEO 36 will be an event with added significance, as it will coincide with Singapore's Chairmanship of ASEAN.

IEM with assistance from MATRADE will be organizing an Export Acceleration Mission (EAM) On Engineering Services, which includes a Malaysian Pavilion fully sponsored by MATRADE.

EAM participants have to register their companies with MATRADE. They also need to register for the Export Acceleration Mission by 26th October. Registered parties need to attend MATRADE organized activities during the mission examples are visits, business matching, networking sessions, and briefing sessions). Costs are on a reimbursable basis embers and submission of claims. Claims however can only be made after the event (within 40 days). A pre-briefing session will be held on 30th October at MATRADE (time and meeting room location to be confirmed)

All EAM participants are required to send representatives to the business matching sessions. Kindly send in your business interests so that we could circulate this to the other ASEAN Country to see if there are interest from their end before we could arrange the meeting between both parties.

The MATRADE fund that could be utilized is as follows:

- a) RM10,000 for EAM exhibitors (target 10 entities)
- b) RM10,000 for EAM non-exhibitors (target 30 entities)
- c) RM2,500 for CAFEO36 delegates.

We are pleased to attach herewith the flyer of CAFEO 36 for your kind reference and if you are interested kindly email to aer@iem.org.my for further discussion.
